Competitive Pokémon TCG
On weeknights and weekends you'll find me competing at local stores in the Pokémon card game. What started out as a hobby has quickly grown into a life goal of competing at the World Championship event. I won't stop until I achieve it!

Live Music
Music is one of my biggest passions, and live shows is where I've had some of the best times of my life. I have seen over 200 bands/artists live since my first concert in 2009.
